

Kodeks ravnanja

Zasnova našega poslovnega salona gostom zagotavlja sproščujoče okolje.

Odločitev o vstopu v poslovni salon je vaša, da pa lahko zagotavljamo najvišjo raven storitev, si pridržujemo pravico, da gostu po lastni presoji zavrnemo vstop ali ga prosimo, da prostor iz določenega razloga zapusti, na primer zaradi zdravstvenih in varnostnih razlogov, neprimernega vedenja otrok, glasnosti, neprimernih oblačil ali vedenja, ki je po našem mnenju žaljivo ali moteče za druge goste.

Če je vedenje gosta za okolje v salonu moteče, ga lahko prosimo, da salon zapusti, pri čemer vračila denarja ne zagotovimo.

Code of conduct

Our business lounge is designed to provide a relaxing environment for our guests.

Entry to the business lounge is entirely at our discretion, and to ensure that we provide the highest levels of service we reserve the right to refuse entry, or remove, any guest for any reason at our absolute discretion. For example, due to health and safety grounds, inappropriate behaviour (including of children), loudness, inappropriate clothing or any conduct that we consider would offend or disturb other guests.

In short, any behaviour that we deem disrupts the lounge may result in guests being asked to leave, and no refund will be provided.
